# CONTINUING EDUCATION

---

**Fayette Regional Health System provides a wide range of continuing education (CE) opportunities for area Pre-Hospital Care Providers. Our staff of highly knowledgeable and friendly instructors are state certified primary instructors with years of real world field experience.**

**Continuing Education courses offered through Fayette Regional Health System meet or exceed the State/National requirements for CE requirements for the Pre-Hospital Care Provider. From short 1-hour in-services to courses lasting 1 to 2 days, we have an education program that is right for you and your service. For more information about the EMS Education Department at FRHS, or to receive a full list of the courses and in-services we offer, feel free to contact our Education Office.**

---
